Annual EEO Public File Report

The purpose of this EEO Public File Report ("Report") is to comply with Section 73.2080(c)(6) of the FCC's 2002 EEO Rule. This Report has been prepared on behalf of the Station Employment Unit that is comprised of the following station(s): KOSA-TV Odessa/Midland and is required to be placed in the public inspection files of these stations, and posted on their websites, if they have websites.

The information contained in this Report covers the time period beginning April 1st, 2016 to and including March 31, 2017 (the "Applicable Period").

The FCC's 2002 EEO Rule requires that this Report contain the following information:

1. A list of all full-time vacancies filled by the Station(s) comprising the Station Employment Unit during the Applicable Period;
2. For each such vacancy, the recruitment source(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification pursuant to Section 73.2080(c)(1)(ii) of the new EEO Rule, which should be separately identified), identified by name, address, contact person and telephone number;
3. The recruitment source that referred the hiree for each full-time vacancy during the Applicable Period;
4. Data reflecting the total number of persons interviewed for full-time vacancies during the Applicable Period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and
5. A list and brief description of the initiatives undertaken pursuant to Section 73.2080(c)(2) of the FCC rules.

Appendices 1, 2 and 3 which follow have been designed, in the aggregate, to provide the required information. Please note that the numbers listed on Appendix 2 under the column entitled "Full-time Positions for Which This Source Was Utilized" refer to the number of the full-time job positions listed on Appendix 1.

For purposes of this Report, a vacancy was deemed "filled" not when the offer was extended but when the hiree accepted the job offer. A person was deemed "interviewed" whether he or she was interviewed in person, over the telephone or by email.

5	Ongoing	KOSA Intern Program	The KOSA news department internship program is a comprehensive introduction to the television news profession. Interns are exposed to various journalism, technical and business concepts and given the opportunity to participate in a hand on program. Interns typically shadow all of the newsroom jobs over a 100 hour per semester period. The intern will be given the opportunity to participate in news gathering, writing and video editing. At the end of the internship we encourage the intern to produce a "resume" tape of their work. During the reporting period, two interns worked in the KOSA news department.
10	Ongoing	In-Class Career Presentations	KOSA's team of meteorologists conducts visits and talk at schools with participants ranging in age from pre-school to college level. The students are informed on how the weather is given and the requirements to become a broadcast meteorologist. Greg Morgan visited Jane Long Elementary on April 16, 2016, DeZavala Elementary on April 19, 2016, Dort David and Alpine Schools on April 29, 2016, Bush Elementary on September 06, 2016, Hayes Magnet on September 16, 2016, Crane ISD on October 26, 2016 and spoke with them about
